

MARYBOROUGH

STATE HIGH SCHOOL

An Independent Public School – Est 1881

Year 7 - 2023 Bursaries

The Parents and Citizens Association of Maryborough State High School are offering four (4) Bursaries for students attending Maryborough State High School

Bursaries will be presented for the following areas:

- 1 x Academic Bursary**
- 1 x Sporting Bursary**
- 1 x Cultural Bursary**
- 1 x STEM (Science, Technology, Engineering and Mathematics)**

Criteria

Applicants must attend a primary school in the Fraser Coast district in Year 6, and be recommended by their primary school for these Bursaries. Bursary holders will receive their benefits for Year 7 at Maryborough State High School.

Guidelines

Bursary applications will be processed by a panel and the recipients will be presented at a special ceremony. The decision of the panel will be final, and no correspondence may be entered into. Late applications will not be considered.

A Maryborough State High School Bursary will entitle the student to the following:

- (a) School's Resource Scheme Fees (\$180 technology scheme and access to the Bring Your Own Device Network -\$25)
- (b) Their name on the school's Bursary Honour Roll

Additional Information

- Applicants may select one or more areas of excellence, and be considered for that category
- Applicants must complete attached forms and submit a 200 word essay about their area of excellence, abilities and goals
- All applications will be kept confidential
- Applications close 30 September, 2022
- Recipients announced 31 October, 2022

Students may apply for more than one category of Bursary

Yours sincerely,

Mr Simon Done

Principal
